

open day

at Toachim House Veterinary Surgery
Saturday 6th March from 12noon-3pm

We have moved to our brand new, purpose-built site in Faversham, and would like to invite all existing and prospective clients to an open day.

You will be able to take a tour of our fantastic new facilities, and see why we are all so proud. Refreshments will be provided, and there will be face painting and balloon modelling for the children (and the young at heart among us!)

There will also be a FREE Raffle with prizes supplied by the veterinary surgery.

Information about topics of interest will be on display, and local welfare societies will also be on hand. So come in and meet our friendly staff who will also be available to answer any animal health care questions you may have.
